Green Ridge Elementary PTO Sponsorship Packages *(offered annually)*

GR PTO provides support and enrichment that further enables students, staff, and families to positively engage with the Green Ridge Elementary School Community. Green Ridge has approximately 660 students and 70 staff members. Sponsorships enable us to invest in our students, staff and school community. Every year we offer teacher grants, investing over \$5,000 to support the needs of our educators. We also offer events throughout the year, often at low to no cost for our students, staff and families.
